SUBJECT: BLUE LANTERN LEVEL 3: POST-SHIPMENT END-USE CHECK
ON LICENSE 05-1014531

REF: 2006 BLUE LANTERN GUIDEBOOK

11. This is an Action Request. See paragraphs 2-4.

12. The Department's Office of Defense Trade Controls Compliance (PM/DTCC) requests Posts' assistance in conducting a post-shipment end-use check on license number 05-1014531 for the export of defense hardware to Saudi Arabia. Posts are requested to complete this Blue Lantern inquiry within 45 days. Lack of response to a Blue Lantern inquiry will affect pending and future licenses involving parties to this license.

13. Reason for request: To substantiate the bona fides of foreign consignee.

14. Action London: Department requests that Post make inquiries to assess G.I.K. International Trade Limited's reliability as a recipient of United States Munitions List (USML) items. Conduct a site visit in order to assess the company's operations, reliability, and on-site security. If a site visit is not possible, please inform PM/DTCC case officer. Reiterate that unauthorized re-exporting and retransfer of USML items is strictly prohibited. The following questions provide suggested guidance:

- Please confirm an order that was shipped under license 05-1014531.

- How long has your company been in the business of importing and selling defense articles? What other products are sold by your company?

- Are you familiar with the restrictions against the unauthorized re-export or retransfer of U.S.-origin defense articles?

- Who are your regular customers and where are they located?

Action Riyadh: Department requests that Post determine whether or not the Kingdom of Saudi Arabia General Authority of Civil Aviation received the below-listed items, and that they are being used for the purpose stated on the license.

End Action Request.
